

1 Q. Is Hydro engaged in any of the pilot projects initiated by the Canadian
2 Electricity Association of Scientific Certification Systems (SCS) using the
3 Environmental Preferable Electricity Portfolio certification program developed
4 by SCS? If so, what pilots?

5

6

7 A. Hydro is not directly involved in the pilot projects for this certification
8 program. Hydro's involvement is by virtue of its membership in and support
9 of CEA.
