

- 1    Q.    Ref: Schedule B, Project Title – Service Extensions, p. B-39. Is Hydro aware  
2           of the Dark Skies Initiative (see: <http://www.darksky.org/index.html> or  
3           <http://www.dark-skies.org/main.shtm>), and if so, has it adopted any policies  
4           to encourage end-users (e.g. cities, towns and business) to implement  
5           improvements in the design of outdoor lighting that are consistent with DSI?  
6  
7  
8    A.    Hydro is not familiar with the Dark Skies Initiative.
