

1 Q. Ref: Direct Testimony of Jim Haynes, Eric Downton and Kenneth McDonald,
2 p.2, line 23-28. Has Hydro completed an analysis of the possible future
3 impact of the Kyoto protocol on its operation at Holyrood? If so, please
4 provide a copy of the analysis.

6

7 A. Hydro has not completed an analysis of the possible future impact of the
8 Kyoto protocol on its operation at Holyrood.

9

10 While the Federal Government has ratified the Kyoto protocol, it has not yet
11 determined how Canada will fulfill its commitment. Until it does, a meaningful
12 analysis of the impact on Hydro's entire operations cannot be completed.
