

1 Q. **Re: Production Evidence** In relation to the evidence at line 7 of p. 8,  
2 identify the routine annual projects referred to in this evidence.

3

4

5 A. The routine annual projects are those defined on Page B-120 Application  
6 Enhancements and on Page B-124 Corporate Applications Environment. In  
7 the context given, Hydro expects on an annual basis, to have requirements  
8 to keep various software applications current as well as to have application  
9 enhancements to meet the requirements of the business.
