

1 Q. If the historical balance of the RSP is a debt of the existing Industrial
2 Customers, on what date would it be considered to be assigned to these
3 customers?

4

5

6 A. Please see response to PUB 18 NLH. Rates are set based on balances in
7 the RSP at December 31 for Industrial Customers, December 31 for
8 Newfoundland Power's Historic Plan, and March 31 for Newfoundland
9 Power's Current Plan.
