

1 Q. Please outline the actual specifically assigned charges for Aur Resources
2 Inc. from the date of connection to June 30, 2006.
3
4

5 A. Hydro does not track actual costs for the plant that is specifically assigned to
6 any customer. Specifically assigned charges are available only using the
7 approved Cost of Service methodology. No actual data will be available for
8 2006 until after year-end and the completion of the 2006 actual Cost of
9 Service Study.
