Ladies and Gentlemen:

Re: Application for Approval of Service Agreement and Rates for new Island Industrial Customer: Aur Resources Inc.

Abitibi Consolidated Inc., Stephenville Division, has reviewed the Agreement of the Parties, regarding the disposition of the Application by Newfoundland and Labrador Hydro dated January 18, 2006 for rates for Aur Resources Inc. as entered into by Newfoundland and Labrador Hydro, Aur Resources, the Industrial Customers (as that group was constituted in respect of the intervention in that Application) and the Consumer Advocate.

Abitibi-Consolidated Inc., Stephenville Division, was not a party to the Industrial Customers' intervention in the Aur Application. However, Abitibi-Consolidated Inc., Stephenville Division, can advise that it does not object to the Aur Application being disposed of in accordance with the aforementioned Agreement.

We trust this is in order.

Sincerely yours,

Mel Dean

Ladies and Gentlemen;

Re: Application for Approval of Service Agreement and Rates for new Island Industrial Customer, Aur Resources Inc.

Abitibi-Consolidated Inc., Grand Falls Division, has reviewed the Agreement of the Parties, regarding the disposition of the Application by Newfoundland and Labrador Hydro dated January 18, 2006 for rates for Aur Resources Inc., as entered into by Newfoundland and Labrador Hydro, Aur Resources, the Industrial Customers (as that group was constituted in respect of the intervention in that Application) and the Consumer Advocate.

Abitibi-Consolidated Inc., Grand Falls Division, was not a party to the Industrial Customers' intervention in the Aur Application. However, Abitibi-Consolidated Inc., Grand Falls Division, can advise that it does not object to the Aur Application being disposed of in accordance with the aforementioned Agreement.

We trust this is in order.

Sincerely yours,
