6    A.    Under the authority of Order No. P.U. 1 (2002-2003), Hydro undertook the  
7           repair of transformer T2 which is a specifically assigned asset serving Corner  
8           Brook Pulp and Paper Ltd. No adjustments were made to the specifically  
9           assigned rates paid by that customer until a new cost of service study, based  
10          upon a 2004 test year, was performed in the course of Hydro's 2003 General  
11          Rate Application and rates were approved by the Board.
