

1 B-74 Replace Poles

2 Q. Does NLH expect to replace any of the electrical equipment (conductor,  
3 insulators etc.) on any of the subject poles?

4 If so, is the cost for the same included in the project budget?

5

6

7 A. NLH expects to replace only minor quantities of electrical equipment. The  
8 equipment will be identified during the design phase and a small cost has  
9 been budgeted for such work.
