

1 **Q. What efforts are being undertaken in response to the Board’s Decision P.U. 7 (2002-**
2 **2003) at the Hydro 2001/02 rate hearing (page 175, point 88) to identify and make**
3 **recommendations concerning collaborative opportunities between Hydro and**
4 **Newfoundland Power, and submit to the Board no later than December 31, 2002.**
5 **Please provide this report.**

6
7 A. Newfoundland Power provided input to and comments on the report entitled “A Report
8 of Joint Co-ordination between Newfoundland and Labrador Hydro and Newfoundland
9 Power” which was submitted to the Public Utilities Board on December 23, 2002. The
10 recommendations contained in the report were agreed to by both utilities. A copy of the
11 report is provided as Attachment A to the Company’s response to Request for
12 Information CA-269.
