7
8 A. Details with respect to the amount in dispute with the Canada Customs and Revenue
9 Agency (CCRA) are provided in the Company's response to Requests for Information
10 CA-321 and CA-550.

11
12 The Company objects to providing further details related to this matter at this time.
13 Discussion at this proceeding of the conduct of the dispute between the Company and
14 CCRA would place the Company in the embarrassing and potentially prejudicial position
15 of dealing with the same issue in two forums. As the matter is unresolved, the Company
16 does not seek relief in the Application for matters arising out of the outstanding income
17 tax reassessments.
