

1 **Q. In reference to the evidence of Earl Ludlow, page 50, please provide the Company's**
2 **plan, for the next five years, to increase or decrease the number of executives.**

3
4 A. Newfoundland Power currently has no specific plans to either increase or decrease the
5 number of executives within the next five years. Changes in the number of executives in
6 future may occur as opportunities to improve corporate efficiencies arise or
7 circumstances dictate, and where it makes sound business sense.
