

1   **Q.    Please advise if the Company considers “other revenue” as outside the jurisdiction**  
2   **of the Public Utilities Board or if it is properly considered as revenue for rate-**  
3   **making purposes.**

4  
5   A.    The “other revenue” provided in Table 1 on page 7 of the *Finance & Accounting*  
6   *Evidence* is included in total revenue requirement, and for rate making purposes reduces  
7   the amount of revenue required to be recovered through customer rates.
