

1 **Q. What is the anticipated replacement cost of the joint-use poles purchased from**
2 **Aliant?**

3
4 A. The anticipated replacement costs associated with the joint-use poles purchased from
5 Aliant Telecom are outlined at Schedule H, line 9, of Newfoundland Power's economic
6 analysis filed with the Board in 2001 in support of the Company's support structures
7 arrangement with Aliant.

8
9 Attachment A contains Schedule H to the economic analysis described above.
