

1 **Q. Please advise if there are any charges to ratepayers due to meetings of the Canadian**
2 **Electricity Association and the Energy Council of Canada and, if so, what these**
3 **costs are on an annual basis from 1998 to current.**
4

5 A. Travel costs associated with meetings of the Canadian Electricity Association and the
6 Energy Council of Canada are tracked for the Executive group only. However, the
7 Executive group would account for the majority of these costs.
8

9 Table 1 below provides a summary of Executive travel costs associated with meetings of
10 the Canadian Electricity Association and the Energy Council of Canada for 1998 to 2002.
11 These costs have all been included in the Company's regulated expenses.
