

1 **Q. Further to CA629, please provide the periods of time and time sheets in reference to**
2 **the transaction stated in CA629.**

3
4 A. Newfoundland Power's timesheet data is maintained electronically within the Company's
5 payroll system.

6
7 Attachment A contains electronic timesheet information, including the hours worked by
8 week, with respect to staff charges to Central Newfoundland Energy for the period
9 January 1, 2002 to September 30, 2002, as referenced in Schedule 6C of the *Board of*
10 *Commissioners of Public Utilities Financial Consultants Report* dated February 4, 2003.

Newfoundland Power
Electronic Timesheet Information with respect to Staff Labour Charges
to Central Newfoundland Energy
January 1 - September 30, 2002

<u>Week Ending</u>	<u>Position</u>	<u>Hours</u> ¹
2002/01/04	Civil Project Engineer	4.00
