**Q. Re: Corporate Overview: Evidence, p. 3 Reproduce Graph 1 including the total labour costs which were allocated to capital during the years 1992 through 2002.**

**A.** Graph 1 below sets out the Company's gross non-labour operating costs combined with total labour costs (including both operating and non-operating) for the period 1994 through forecast 2004 on a historical and inflation-adjusted (i.e., 1994 dollar) basis.
