1   **Q.     Please provide a copy of the referenced source for Table 1 at page 10 of 67.**

2  
3   A.     A copy of Standard & Poor's "Utilities & Perspectives" dated June 21, 1999 is provided  
4           as Attachment A. In this revised response, page 2 of 2 of Attachment A replaces the  
5           second page of the original Attachment A. The table on the new page 2 was requested  
6           from the editor of "Utilities & Perspectives" due to the poor copy quality of the original  
7           filing. The information contained in the table is identical to the original filing. The  
8           referenced source for Table 1 at page 10 of 67 in Ms. McShane's prefiled testimony  
9           should read June 21, 1999 (and not July 21, 1999).

10          A copy of Standard & Poor's "Credit Stats: Canadian Utilities – Canada" dated August  
11          20, 2002 is provided as Attachment B.
