

1 **Re Application Environment, Schedule B, pages 70-71 (\$791,000)**
2

3 **Q. For each component shown in Volume 4, Appendix 2, please indicate the proportion**
4 **allocated to application purchase and the proportion allocated to application**
5 **development.**

6
7 A. The Company does not normally allocate costs to its projects in this manner.
8

9 Table 1 provides a breakdown of the costs allocated to application purchases and to
10 application development for each component:
11

Table 1 (000's)
