

1 **Application Enhancements**

2

3 **Q. What portion, if any, of the cost of upgrading the Microsoft Great Plains Software**
4 **is included in “Business Support Systems” sub-heading under “Application**
5 **Enhancements”.**

6

7 A. The cost associated with the “Business Support Systems” portion of the “Application
8 Enhancements” project does not include any portion of the cost of upgrading the
9 Microsoft Great Plains Software. The cost of upgrading the Microsoft Great Plains
10 Software is included in the Application Environment project.
