

**Q. DISTRIBUTION****PUB 11.0 (RE: p. 33 & 34 of 73) Meters (\$965,000)****PUB 11.2****Please provide a table showing the number of AMR meters that have been installed each year since the beginning of the program and the total currently in operation.**

The table below provides a summary of the number of AMR meters purchased/installed by the Company for the period 2001 - 2004 inclusive.

| <b>Year</b>               | <b>AMR Meters<br/>Purchases/Installations</b> |
|---------------------------|---|
| 2001                      | 200   |
| 2002                      | 750   |
| 2003                      | 1,000   |
| 2004                      | <u>3,124</u>                                  |
| <b>Total Purchased</b>    | <b>5,074</b>                                  |
| Remaining to be installed | 472   |
| Installed to date         | 4,602   |

To date 472 of the AMR meters have not yet been installed. The majority of the remaining AMR meters will be installed within the next two months; however, a small number will be held as spares.
