

1 **Q. INFORMATION SYSTEMS**

2  
3 **PUB 45.0 (RE: B-67, Network Infrastructure)**

4  
5 **PUB 45.2**

6 **Where the PRIMARY justification given is to improve “operational efficiencies”,**  
7 **provide quantifiable justifications, including an NPV analysis.**

8  
9 A. No project within the Network Infrastructure budget category had “operational  
10 efficiencies” as its primary justification. All projects were primarily justified on the basis  
11 of “obsolescence”.
