

1 Q. With respect to the response to NP-NLH-145, please confirm that the response
2 includes “all studies and any other relevant materials that were used by Concentric
3 Advisors to arrive at the estimates of Net Salvage Percentage in the 2015
4 Depreciation Study” as requested by NP. If not, please provide a comprehensive
5 response to the question.

6

7

8 A. This response has been provided by Concentric Advisors (Concentric).

9

10 Hydro provided Concentric with historical retirement data, detailed in its
11 depreciation study, management discussions as detailed in the Operational
12 Interviews in Hydro’s response to NP-NLH-145, Attachment 1, and net salvage
13 information as detailed in Hydro’s responses to IC-NLH-158 and IC-NLH-159.
