

1 **Q. Historical documentation indicates that the MGT over the past ten years has been**  
 2 **used for construction projects and system support for the most part. Please advise**  
 3 **when and where and for what period of time the Applicant used this MGT for**  
 4 **construction and support over the past ten years.**

5  
 6 A. Table 1 lists the date and location for each instance the MGT has been used since 2007  
 7 for: (i) construction and maintenance projects, including at the request of Newfoundland  
 8 and Labrador Hydro (“NLH”); and (ii) system support.  
 9  
 10

**Table 1**  
**MGT Operations**  
**2007 to 2017 YTD**

<b>Date</b>	<b>Location</b>	<b>Purpose</b>
July 2007	Port aux Basques	Construction (NLH)
