

**Q. Are any CRTC approvals necessary in relation to the subject matter of the Application and, if so, please explain the status?**

**A. No.**

In Article VI of the Joint Use Support Structures Purchase Agreement (“Purchase Agreement”), Bell Aliant has represented and warranted that the execution and delivery of the Purchase Agreement, and the consummation of the purchase and sale of the Joint Use Support Structures, will not result in the violation of, among other things, any order of a governmental body having jurisdiction over Bell Aliant, including the CRTC.
