

1 Q. Re: 2013 Capital Projects Over 200,000 but less than 500,000: P. D-259 Replace
2 Peripheral Infrastructure:
3 Does Xerox's maximum lifespan recommendation of five years (at p. D-262) take
4 into account level of use?

5
6

7 A. The manufacturers of Multi-Function Devices (MFDs) specify a recommended, or
8 rated, 'pages per month' for each device. It is expected that, at these rates, the unit
9 should provide stable, reliable service up to the five year warranty period. Above
10 this rate, it is expected that the unit could experience problems before the five year
11 warranty period is completed.
