

1 Q. How has Hydro dealt with the provision of an opportunity to the Industrial
2 Customers and to the Consumer Advocate to comment as to the specific content in
3 the overview to be provided to the Board? Please provide any related
4 documentation.

5

6

7 A. In preparing the overview, Hydro considered generally the questions, submissions
8 and comments received in the 2012 Capital Budget process including the Technical
9 Conference. It did not receive any further comments from any of the Interveners in
10 this regard. No additional comments were sought by Hydro with regard to this
11 issue.
