

1 **Q. (Amended 2013 GRA) Does Mr. Brockman recommend that the costs associated**
2 **with the CBPP frequency converter be specifically assigned to CBPP as proposed by**
3 **Hydro?**
4

5 A. Mr. Brockman has not completed a detailed review of the assignment of the CBPP
6 frequency converter. For that reason, he is unable to make any recommendation with
7 respect to whether the associated costs should be specifically assigned or not within the
8 time allotted for the response to this Request for Information.
