

1 Q. Please indicate, as part of the CDM program if any consideration was given to
2 reinstating capacity shedding options for large customers, such as the previous
3 Interruptible B. If not, why not?
4

5

6 A. Under the CDM program, Hydro has maintained a focus on energy conservation and
7 efficiency. Please see Hydro's response to IN-NLH-011 for a more detailed
8 explanation for that focus.
