

1 Q. **Re: Response to LWHN-NLH-044.**

2 Please update Table 1 of the response to include the month of November. Does NL
 3 Hydro still anticipate \$200.3 million in fuel expenses and consumption of more than
 4 1.84 million barrels of fuel at Holyrood in 2013?

5
 6

7 A. The table below is an update of the table in the response to LWHN-NLH-044 to
 8 include the month of November. Hydro no longer anticipates \$200.3 million in fuel
 9 expenses and the consumption of more than 1.84 million barrels of fuel at Holyrood
 10 in 2013. Please refer to Hydro’s response to CA-NLH-154 for the 2013 forecast
 11 update.

Table 1
Holyrood Fuel Expense and Consumption

Year	<u>To November 30</u>	<u>Annual</u>	
	No. 6 Fuel Expenses (\$000)	No. 6 Fuel Expenses (\$000)	No. 6 Fuel Consumption ('000 bbbls)
2007	91,133	107,369	2,044.7
2008	108,624	123,734	1,728.7
2009	63,598	80,585	1,534.7
2010	84,426	100,674	1,363.2
2011	108,320	135,136	1,469.2
2012	134,001	164,001	1,428.3
2013 (Act)	138,003		
2013 (TY)		200,314	1,842.1
