3 included in the Item "*Feasibility Studies – General*" as shown in Schedule 2.5A,
4 Island Interconnected, line number 38.

5

6

7 A. There is one capital project included in the Item "Feasibility Studies – General"
8 which is an Operational Voice System Study undertaken in 2008 based upon Board
9 approval in P.U. 30(2007). The study was used to determine the proper strategy for
10 the future replacement of Hydro's operational and administrative voice
11 communications equipment.
