

1    Q.    Over each of the last 3 years, how many plant operator graduates have applied to  
2           work with Hydro and in how many instances has Hydro extended offers of  
3           employment and how many offers were accepted?

4

5

6    A.    Detailed records have not been retained to provide the number of applicants for  
7           these positions. Over the past three years, there have been 11 offers made to  
8           graduates of the College of North Atlantic (three-year Mechanical Engineering  
9           Technology diploma program) for employment as operators in Holyrood, and eight  
10          have accepted.
