

1 **Q. Re: AMEC Report**

2 Does Hydro agree with and accept every recommendation made by AMEC in
3 Section 15? If not, why not?

4

5

6 **A.** Yes, Hydro generally agrees with and accepts every recommendation made by
7 AMEC in Section 15. However, in accepting the recommendations Hydro does not
8 commit to performing the work associated with each recommendation in the time
9 frame noted in the recommendation, as Hydro must consider the least-cost, reliable
10 options in every case. Please also refer to the response to P2-PUB-NLH-71.
