

- 1 Q. Re: 2012 Wood Pole Line Management Volume II (Tab 13)  
2 Has Hydro been keeping track of the amount of poles treated versus replaced since  
3 the inception of this program?  
4  
5  
6 A. Yes, Hydro does track the number of poles treated versus replaced under the Wood  
7 Pole Line Management (WPLM) Program. There have been a total of 18,838 poles  
8 inspected and treated to date; 619 have been replaced.
