- 1 Q. Re: Net Salvage: Please identify by account and by year the dollar amount and
2 percentage level of contractor pay reflected in the cost of removal reported in the
3 Company's historical net salvage analysis. Further, indicate the cost relationship
4 between what an equivalent position with a contractor pays versus an in-house
5 employee, where both costs are fully loaded.
6
7
- 8 A. Hydro did not include a historical net salvage analysis as part of the depreciation
9 study.
