

- 
- 1 Q. Re: Net Salvage: Please state if the historical net salvage data (i.e., gross salvage,  
2 cost of removal, and retirements) are time synchronized. If not, please state the  
3 longest time frame between the reporting of one component versus another  
4 component of a retirement as well as the average time period for such situations by  
5 account.  
6  
7
- 8 A. There was no historical net salvage data provided as part of the deprecation study.
