

1 Q. Please confirm if there will be any new positions created with the commissioning of
2 this unit. If so, please describe and provide the costing of these positions.

3

4

5 A. The addition of this unit will result in additional resource requirements for
6 operation and maintenance activities. The specific requirements are being
7 developed and understood and any incremental resources will be recruited and
8 trained prior to unit start up. The estimated cost of these incremental resources is
9 expected to be in the order of \$500,000 annually.
