

- 1 Q. On page 9 of the *Supply and Install 100 MW (Nominal) of Combustion Turbine*
2 *Generation* report, Hydro states:
3 ***“Hydro estimates the combustion turbine may cause an approximate 2.3 per cent***
4 ***increase above existing rates.”***
5 Please provide the calculation that shows the approximate 2.3 per cent increase in
6 existing rates that Hydro has estimated.
7
8
9 A. Please refer to Hydro’s response to GT-CA-NLH-022.
