7 A. Four bids were received in response to Hydro's tender for the combustion turbine.
8 The format on page 35, Table 10 does not apply to these tender bids as they form
9 only part of the total project cost under "Contract Work", along with other direct
10 and indirect costs. None of the above bids were rejected for non-compliance and
11 all were evaluated by Hydro. Please see GT-PUB-NLH-014 Attachment 1, which is
12 the Tender Evaluation of the bids.
