To: NL Public Utilities Board

Subject: NLH - Supplemental Capital Budget Application - Approval for the Construction of a new 230 kV Transmission Line between Bay d'Espoir and Western Avalon Terminal Stations - IC -

Dear Ms. Blundon,

As requested by the Board's correspondence of October 15, 2014, this will advise that the Island Industrial Customers do not wish to file additional information requests and that they do not intend to submit expert evidence in this proceeding.

The Island Industrial Customers continue to reserve their right to participate in this proceeding, and request that they continue to be copied on all correspondence, RFIs and responses, and submissions.

Regards,

Paul Coxworthy
