

- 1 Q. Re: **Upgrade Transmission Line Corridor** *Bay d’Espoir to Western Avalon*, Page 53.
2 Hydro indicates “Without this new transmission line, imports from Nova Scotia
3 during LIL outage will be limited.”
4 Please provide a description of how much imports from Nova Scotia will be
5 increased by addition of the proposed 230 kV transmission line.
6
7
8 A. Please refer to Hydro’s response to CA-NLH-007.
