

1 **B-29 Reliability Upgrades-Frequency Converter, \$1,320,200**

2 Q. Will the cost of the replacement of the auto-synchronizer be reflected in the  
3 specific charges to Industrial Customers?

4

5

6 A. The costs for this entire project, including costs for the replacement of the  
7 auto-synchronizer, will be included in the specifically assigned charges to  
8 Corner Brook Pulp & Paper, the one industrial customer benefiting from the  
9 facility.
