

1 **B-35 Supply and Installation of a Bridge, \$211,900**

2 Q. Has NLH undertaken a cost benefit analysis of this project? If so, please
3 provide a copy.

4

5

6 A. A cost benefit analysis has not been undertaken for this project. Safe and
7 rapid access is required to enable Hydro's line crews to respond quickly to
8 minimize the duration of line outages and to perform routine repairs and
9 maintenance in an expeditious manner.
