

1 Q. Please provide the total numbers of air-blast circuit breakers on the system by  
2 voltage levels.

3

4

5 A. The total number of air-blast circuit breakers on the system by voltage level is  
6 provided in the table below.

7

<b>Voltage Class (kV)</b>	<b>No. of Air Blast Circuit Breakers</b>
230	51
138	12
