

1 Q. Provide the Power on Order and energy forecast by month for each Island Industrial Customer  
2 for the period 2026F, 2027TY, 2027F, 2028F, 2029F and 2030F.

3

4

5 A. Please refer to Tables 1 to 6 with the Power on Order and energy forecast by month for each  
6 Island Industrial Customer for the period 2026F, 2027TY, 2027F,<sup>1</sup> 2028F, 2029F and 2030F.

**Table 1: Corner Brook Pulp and Paper Limited Power on Order Forecast and Energy Forecast**

| Month     | 2026F |     | 2027TY |     | 2028F |     | 2029F |     | 2030F |     |
|-----------|-------|-----|--------|-----|-------|-----|-------|-----|-------|-----|
|           | MW    | GWh | MW     | GWh | MW    | GWh | MW    | GWh | MW    | GWh |
