

1 Q. Is CBPP designated as a Transmission Customer and required to pay transmission tariffs for any
2 energy it sells or repays to Hydro on a contractual basis? Explain.

3
4
5 A. No, Corner Brook Pulp and Paper Limited ("CBPP") is not a Transmission Customer of the
6 Newfoundland and Labrador System Operator ("NLSO"); therefore, CBPP does not pay
7 transmission tariffs to the NLSO. Newfoundland and Labrador Hydro ("Hydro") is a Transmission
8 Customer of the NLSO and is responsible for applicable transmission tariff charges associated
9 with the transmission service provided by the NLSO in support of the contractual arrangements
10 between Hydro and CBPP.
