6 A. As discussed in Newfoundland and Labrador Hydro's ("Hydro") response to NP-NLH-002 of this
7 proceeding, this application has no impact on 2026 forecast earnings. It is Hydro's opinion that
8 the information requested is not necessary for a satisfactory understanding of the matters to be
9 considered in the Application for Recovery of Costs Associated with Information System Assets
10 as required by the Board of Commissioners of Public Utilities Regulations, 1996.
