Subject: NP - Approval to Issue Series AT Mortgage Bond - NP Reply

Good morning,

On June 20, 2025, Newfoundland Power filed an Application for Approval to Issue Series AT Mortgage Bonds. The Board's review schedule set a date of Wednesday, July 2, 2025, for comments from the parties. Newfoundland and Labrador Hydro indicated that it had no comment on the Application. No comments were received from any other party. Newfoundland Power therefore submits that the Application should be approved as filed.

Regards,

Dominic
